FOREWORD

Elon College offers to those who seek such, an atmosphere conducive to the fourfold development of each student. It is a veritable gold mine for those willing to leave the old behind and venture into new areas in search of the wealth of human understanding, Christian living and intellectual development.

We Elonites of the class of '51 now end our trek, knowing that our search has not been in vain. Elon has developed us in a way for which we will always be thankful . . . a development that is absolutely necessary for the world leaders of tomorrow.

We have just such thoughts in mind as we dedicate to you a portion of Elon's life THE PHI PSI CLL.

In This Book

Through pictures, words,
and particularly your
reminiscing, we intend to
place before you Elon College
in this Tim-Pin-Psi-Chi of 1951

DEDICATION

To our friend James Lofton Kernodle, M.D.

Mrs. Alma Albright Kernodle, widow of the late Dr. James Lofton Kernodle, and their daughter, Mrs. Atrice Kernodle Manson, now deceased, are benefactresses of Elon College. Before Mrs. Manson's death, she and her mother bequeathed to Elon College the Manson building located in Burlington, currently valued at \$70,000. This bequest was to establish the Dr. James Lofton Kernodle Foundation for the improvement of pre-medical instruction in Elon College and to provide scholarships for worthy and needy young men preparing for the practice of medicine.

Dr. Kernodle was graduated from the University of North Carolina and was awarded his degree in medical science by the University of Maryland. He was born and reared in North Carolina, and practiced medicine in Alamance County for twenty years. Dr. Kernodle died February 18, 1933. Mrs. Manson died April 14, 1950.

With Mrs. Kernodle's consent, and because of the interest of these good people in our college as expressed in such generous terms, we the class of 1951 take great pleasure in dedicating our annual, the Phi Psi Cl., to the memory of Dr. Kernodle and Mrs. Manson and to the honor of the wife and mother, Mrs. James Lofton Kernodle.

L. E. SMITH

OUR PRESIDENT

To the Class of 1951:

Before the wounds of the last war had had time to heal, you entered college. You were more fortunate than you knew. Now the rumors of war are heard again in our land. Between the two conflicts you have been permitted to secure an education. Should you be called into service, you will have the benefit and the satisfaction of being a college graduate and will be better prepared to protect yourselves and render a more effective service for your country.

I want you to know how glad we are to have had you at Elon and that we wish for you every possible success in life and the happiness that you so richly deserve.

L. E. SMITH,
President.

DEAN BOWDEN

DEAN BOLTON

ADMINISTRATION

TO THE SENIORS:

Greetings:

With pride we send you forth into graduate schools, business, the teaching profession, homemaking, and many of you to the Armed Forces of our Nation. You carry with you our blessings and best wishes; may your years be many, and may they bring you wisdom, strength and courage for living abundantly.

Sincerely yours,

D. J. BOWDEN,
Dean of the College

TO THE SENIOR CLASS OF 1951:

My sincere good wishes to you! The world you enter is troubled, insecure, in the process of change. As Elon College graduates you will have a part in shaping the world of tomorrow. You will want a vision of the kind of world needed in the future and the courage to bring it into being. I hope your years at Elon have given you both the vision and the courage and also the will to endure. May God bless and keep you!

Best regards,

ELIZABETH BOLTON
Dean of Women

“Four years is a long time”— at least that’s what we thought when we were beginning Freshmen here at Elon. Today we look back over those years as just a short lapse of time. We wonder if it’s true. Are we really graduating this year?

When we came to Elon, the future we were concentrating on was

our immediate stay at Elon. Now as we broaden our scope and adjust it on our world at large, we say with true meaning, "Thanks Elon." If our mission in the world is as great a success as our stay at Elon, then with hearts of joy, we shall cherish also the coming years of our lives.

WHO'S WHO

Among Students in American Universities and Colleges

This Honor, given to the seniors of the class of '51, is the highest goal which students may attain in college. It is awarded on the basis of scholarship, leadership in extra-curricular activities, and qualities that portend success and usefulness in the years after college days are over. These students are chosen by ballot among faculty members and students. The members of the Elon College Student Body who were so recognized this year will have their biographies appearing in the 1950-1951 edition of the *Who's Who Among Students In American Universities and Colleges* yearbook.

Seated, left to right: Fred Sahlmann, William Kivett, Jeanne Pittman, William Tolley, Laverne Russell, Sara Dodson.

Standing, left to right: Arthur Fowler, Billy Mittelstadt, Robert Wright, William Hopkins, Joe Erickson, Pete Marshburn, Worth Womble, Nash Parker.

Junior Class . . . 1951

We, the Juniors, are well on our way to that final goal. We have come a long way, and though at times it seemed almost impossible to carry on, we stuck to the job and came through. With this same determination we intend to meet the coming year, our Senior year at Elon, and we expect to be the victors then as now.

With the deepest regret for losing old friends, but with the greatest admiration for successful performers, we say to the Senior Class, "Fairwell and good blessings." To the rest we say, "See you next year."

Sophomore Class . . . 1951

Now we feel as if we are really becoming a part of our campus. Our first year seemed to be a year of complete confusion, but now we know our way around. We don't feel as though we know it all, but we do know a lot of things now that we didn't know a year ago.

Yes, we are exploring and we are discovering. We are looking over the possible fields of endeavor in order to find our special interests. Remembering our Freshman year, thinking of our Sophomore year, it is with great anticipation that we look to the immediate future when we shall be labeled Juniors of Elon.

Freshman Class . . . 1951

We are the Freshmen: enegetic, ambitious, and still a little "green." After having made our quota of trips to Senior Oak and rolling peanuts with our noses, we figure we are officially enrolled at Elon.

We are rapidly improving and our aim is to be one of the classes which Elon will always remember. Through study, good behavior,

and participation in extra-curricular activities, we aim to accomplish this distinction.

Remembering the Freshman Reception, the Student Handbook classes, and that dear old week of initiation puts a gleam in our eyes as we eagerly await the coming Freshman Class of 1951.

Activities

Student Government

The Student Government at Elon College tried its wings during 1950-51, the first year after its inauguration. The officers and council members were elected by the student body in one of the most spirited general elections seen at Elon College.

This school year has not been without its trials and errors, and it will take succeeding years to bring Elon's government to its full maturity; but this fledgling organization is on its way to assuming its full stature.

"At times we felt like giving up completely. We worked late into the night and it appeared as if we hadn't accomplished a thing. We would 'take off' to Raleigh or Charlotte to be briefed on our next item of business. We missed so many classes that we began to wonder if we were students or hired help. We were a constant worry to our very able adviser, Professor John Foster West. All of the sweating, worrying, wondering, and running was well worth our reward—the PHI PSI CLI of

1951. Our chests swell with pride as we take this annual in hand and present it to you—the students, faculty, and administration of Elon College. Take it, look at its pictures, read its print, keep it near you, as it's one of the dearest tokens of life here at Elon College that you could possibly possess.

"Yes, we're proud of it and we want you to be also; so with great pleasure, we present to you the PHI PSI CLI of 1951."

Here we are with a beautiful opportunity to editorialize, and we are passing it up, being rather inclined to use this limited space to express our good wishes to all and our hope that you all find in the *Maroon and Gold* a little of what you think a college paper should be.

If you, as readers, realize as much enjoyment from the *Maroon and Gold* as do the members of the staff, then we feel that our time has not been wasted. A trite sentiment, perhaps, but still valid.

We have no complaints to make about the criticism we receive from our readers, except one: there is not enough of it. As it is our goal to make every issue better than the last one—a goal, it must be admitted, that is not always attained—we would appreciate and make use of everything that comes our way

in the line of criticism and fresh material. Although we pride ourselves on what we like to consider “our paper,” it is, in reality, your paper. Every time we go to press we would like to have the feeling that we are giving you what you want.

And speaking of going to press, we’re panting to meet a deadline right now. . . .

The Student

The Student Christian Association was re-organized under the new Adviser, Rev. Howard P. Bozarth, in September, following a program-building retreat. Students attending the retreat served as a temporary cabinet to draw up program plans, patterned on the suggestions of the National SCA, with which our group is affiliated. Joe T. Stevens served the first quarter as president, being succeeded by Harry (Ned) Jones. Other officers for the year were: Earl Todd, Vice-President; Betty Long, Secretary; Charles Johnson, Treasurer (succeeded in January by Roger Phelps). Yono Mork

Christian Association

was Program Chairman for the Sunday evening Student Fellowship meetings; Charles Joyner was Publicity Chairman. Commission leaders were Emma Jean Clayton, on Campus Affairs; Henry Hoppe, on World Relations; and William Tolley, on Christian Faith and Heritage. The SCA sponsored numerous social events during the campus year and promoted the Religious Emphasis Week in February. The membership for the year was about 75 students, with an average of 40 to 50 attending the Student Fellowship meetings.

In the Ministerial Association are students who are planning to make a vocation of full time Christian work: including the ministry, religious education directing, teaching of religion, church music, and other fields of Christian service. This group is also composed of several students who hold pastorates in near-by churches.

Building Christian character and understanding the problems confronting the Christian worker are special points of emphasis of this group. Through Christian fellowship and social activities this group endeavors to expand the concepts of right living.

The College Choir, under the direction of John Westmoreland with Fletcher Moore at the organ, is one of the most active college organizations. In addition to its basic function of furnishing music for Sunday church services and week-day chapel, it presents performances of three major oratorios each year, one of these being the annual Christmas rendition of Handel's "The Messiah."

The choir also has a radio program every Sunday from 2:00 to 2:30 P.M. over station WFNS, Burlington, and affiliated stations.

Other high points in choir activity are off-campus performances, ranging from appearances by soloists and ensembles at various functions all over the state to an ambitious spring tour which has taken the choir as far north as New England.

The choir is composed of both music students and any members of the college student body who enjoy choral music.

Pep Department

WE all know how much pep and spirit has been inserted into the students at Elon during the year '51. Naturally, to have spirit you must have creators of spirit. Well, we have those creators and they're displayed on these two pages.

What would life be like without music? What would football games be like without bands? Elon has its band. It may have been a little small this past year, but those guys really tried. Next year, and thereafter, we hope Elon's band will grow and be an even more vital influence on the students.

Speaking of the band. What's a band without those pretty decorations in the front —the majorettes. Elon had its majorettes as well. With pride we take off our hats to Phyllis Tucker, Edna Burke, Jane Upchurch, and Faye Caddell.

WE all know the wonderful job done by the cheerleaders this year. They were always on the spot, full of pep and raring to go. Patsy Milam did a splendid job of heading up the cheerleaders during '51. They invaded football games, basketball games, and even our Friday morning chapel programs occasionally. With pride we say, "Thanks, Patsy Milam, Jane Peterson, Delores Hagan, John Truitt, Jeanne Pittman, Oscar Holland, Martha Berry, Charles Johnson, and Betty Joyner."

The Household Arts Club supplements the Home Economics Department in that it offers to its members excellent opportunities for further development in the field of home economics. Since the club is affiliated with the State and Federal Home Economics Association, it has the privilege of sending representatives to meetings of both organizations. This club renders an invaluable service to its members by helping them to become better future homemakers of America.

The Day Students Club is an up and coming organization at Elon. A feeling for the college is manifested by our day students from the surrounding cities and rural districts. The bond between day students and dormitory students is constantly growing.

Through organizations such as this, the spirit of Elon is rapidly becoming unified.

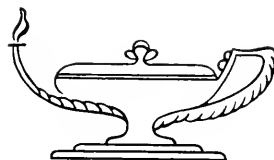

The Elon Players

A season with the Elon Players constitutes an all-around experience in stage craft. In order to present four plays and an original all-student musical show, members are apt to find themselves doing everything from learning lines to building and painting sets.

Under the gracious guidance of Mrs. Elizabeth R. Smith, director and adviser of the Players, Elon's Thespians present the finest Broadway plays to enthusiastic audiences in Whitley Auditorium.

Pan-Hellenic Council

The sororities and fraternities of Elon College are major influences on the social activities of the campus. Therefore, a close relationship must exist between these social promotion groups. The Pan-Hellenic Council's purpose is to create an understanding among these organizations. Representatives from each sorority and fraternity discuss problems and suggestions which arise within the individual organizations and the student body as a whole and secure from this a means of keeping united action and harmony among the organizations.

The Football Season

THE *ELON FIGHTING CHRISTIANS* opened the 1950 football season against the powerful Emory and Henry *Wasps* at Bristol, Tenn. and got stung to the tune of 33-12. Led by Little-all-American back Bob Miller, the *Wasps* built up a 27-0 half-time advantage. Elon scored on passes from Marshburn to Greenwood and Tingley, but it was a case of too little too late.

The *CHRISTIANS* bounced back on the following Saturday night in Burlington stadium against Atlantic Christian for a 33-6 victory. There was just too much Grayson, Biangardi, Tingley, and Brigman for the undermanned Bulldog eleven.

Then came a heart-breaker on Sept. 30th when Elon travelled to Boone to play the Appalachian *Mountaineers*. The *Christians* tallied in the second quarter with Grayson climaxing a sixty-four yard drive. Gero converted and Elon led 7-0. Marshburn added the next score to end a sixty-two yard drive. Again Gero converted and the score stood 14-0. Then came the desperate passes, thrown by the *Mountaineers'* Steve Gabriel, and two quick touchdowns, leaving a stunned Elon outfit taking the kickoff as the game ended. Outstanding offensively even against this comeback were Grayson, Tingley, Marshburn, and Lewis. Bearing the defensive chores were Sal Gero, Harry Farmer, Marshall, Snow, Erickson, and deSimone. Score 14-14.

Elon met ECTC next on Oct. 7 and it was air power against ground running with the *Fighting Christians* downing the invading *Pirates* 21-16. Elon rolled up a total of 235 yards on the ground, while Roger Thrift, leading a one-man aerial show for the *Pirates*, completed 21 of 48 passes that netted 324 yards. Led by Gero, Snow, Watkins, Erickson, Farmer, and deSimone, the defensive team held the *Pirates* inside their own 15 yard line five times during the first half. Grayson and Biangardi shared scoring honors, with Gero's toe in perfect form, adding each conversion. The longest and prettiest run of the night was Brigman's 71 yard sprint for a touchdown, called back by a penalty.

The *Christians* travelled to Newberry, S. C. on Oct. 14 and captured a 13-6 victory in a hard-fought, non-conference tilt against Newberry's *Indians*. The *Indians* drew blood in the first period and took a short-lived 6-0 lead. However, in the second period the *Christians* started rolling and never stopped until the final whistle. Bearing the brunt of the attack were Grayson, Marshburn, Tingley, and Brigman. Gero and Marshall were towers of strength all night, but they were forced to share defensive honors with McCracken, Farmer, deSimone, and Annas.

FIGHTING CHRISTIANS' FOOTBALL TEAM

Playing before a large Home-coming crowd on Oct. 21, the *Fighting Christians* outlough Catwba's *Indians* in the air and on the ground to gain a 26-12 victory. Rochelli passed for three TD's and set up another. Lewis caught two long touch-down passes; Biangardi ran through the *Indian* line for many gains; Grayson, Brigman, Marshall, Ellis, and Erickson were outstanding on offense. deSimone, Gero, Amas, McCracken, Marshall, and Reece shared defensive honors. In the second quarter, with Catwba leading 6-0, Rochelli passed to Marshburn for the tying touchdown. Then Perkins of Catwba took the kickoff on his own two yard line and raced 98 yards to score. The *Indians* led 12-6. Greenwood carried the next kickoff to the Elon 40, and the first play from scrimmage was a pass from Rochelli to Lewis for a 60 yard touchdown play. This made a total of no less than three touchdowns scored by the two teams in less than 90 seconds! It was a thrilling football game that climaxed a great Home-coming week-end.

Oct. 27 the *Christians* added victory number 5 over WCFC. Elon scored first with Rochelli going over for the touchdown, and Gero was true for the extra point. WCFC came back for a TD and the extra point. Not satisfied with a 7-7 score Marshburn and Biangardi racked up a couple more TD's with Gero coming through for both extra points. Gero added the next TD on a lateral, but missed the extra point try. The score was 27-7. WCFC, rallying, scored twice more, but too late to even the score. Final score: Elon 27, WCFC 19.

The *Christians*' next accomplishment was the bringing home of a panther skin from High Point on the night of Nov. 2. The game featured great down field blocking and long runs by the *Christians*. Marshburn plunged over for the first TD. Grays added the next 3 on runs of 34, 1, and 40 yards respectively. Rochell followed close behind with two more TD's on runs of 49 and 20 yards. Gero booted 5 out of 6 extra points to complete the scoring at 41-0. Gary Farmer added a feature run of 46 yards, but due to penalties on which Elon could not capitalize, that score was lost. During the entire game Elon was not forced to kick a single time.

Elon was defeated its second time in '51 by the *Boys* of Lenoir-Rhyne on Nov. 11 by a score of 41-13. It wasn't until the final quarter that Elon managed to score. With the loss of this game the *Christians* also lost hopes for North State Conference laurels.

To wind up the season Elon defeated the Guilford *Quakers* 6-0 in the annual Thanksgiving Day tilt at the Burlington Stadium.

SALUTE

The Phi Psi Chi joins with the students of Elon in saluting SAM, GERO, Little-all-American; ALL-STATE, ALL-CONFERENCE, R. K. GRAYSON, HANK DESIMONE, PETE MARSHBURN, ALL-CONFERENCE, MIKE MOLTO, most improved lineman; HARRY FARMER, most improved back.

Basketball

The 1950-1951 edition of the Fighting Christian basketball team enjoyed a fairly successful season under the direction of Coach "Doc" Mathis. Although they dropped some thrillers, they supplied supporters with plenty of exciting moments. Led by Kendall, Hamerick, Mondy, Haithcox, Cooper, and Gaither, the Christians entered the North State tournament, defeated Appalachian in the first round of play, but lost to High Point in the semi-finals.

The team was composed mostly of sophomores and juniors who have from one to three years of varsity play left. With the present team as a nucleus, the Fighting Christians should prove their worthiness on the hardwood in the near future.

Salute: The Phi Psi Chi salutes Ben Kendall; All-Tournament and All-Conference guard.

Baseball

The Fighting Christians' 1950 baseball squad successfully defended its North State Conference crown by winning its second successive North State Championship. With the mound staff anchored by veterans C. K. Siler and Lefty Taylor and ably assisted by newcomers Hank Hamrick and Joe Weaver, the Christians boasted the strongest pitching staff in the Conference. Lefty Taylor paced the staff with six victories and one defeat and led in the strike-out department.

The infield, with Quackenbush, Rakes, Myers, and Stewart at the helm, turned in fine performances. The outfield, composed of Phillips, Reid, Brigman, and Cassell, gave the added punch at the plate plus their fielding abilities. Hank deSimone and Joe Bryson behind the plate gave the club the hustle and pep that it needed in the pinches. Shag Myers led the hitters with a .337 mark.

Girl Sports

The intramural sports program for the young women of Elon is very diversified and year-round activity in the field of sports is presented to all women students. Sports for this year were under the capable guidance of the women's athletic director, Miss Ruby Adams.

The girls were active in the following sports during the year: In the fall they played field hockey, volleyball, and participated in marching. During the winter months they went indoors to the gym and played basketball, volleyball, table tennis, and badminton. With the coming of warm weather the young ladies will again take to the outdoors for softball and tennis; they also sharpen their eyesight by taking part in archery. The intramural sports program strives to acquaint the young women of the college with all phases of the world of sports, and at the same time it gives them the opportunity to take part in the program.

Women's Athletic Association

The Intramural Council and the Women's Athletic Association are the governing bodies of men's and women's intramural sports. They make the rules and regulations which govern the activities of the student's choice. All men who are not fortunate enough to make the grade in varsity sports and all women are welcomed and given the opportunity of taking part in a well-planned intramural program.

In the fall, touch football is the men's sport with all dormitories and fraternities participating. In the winter both men and women take part in volleyball, table tennis, and basketball. In the spring softball is the kingpin. The competition is very keen in all sports.

At the end of the school year trophies are awarded to the organizations or dormitories that accumulate the most points in all sports during the year.

"Pug" Simpson: Are you going North?
"Husky": Yes, I am.
"Pug": Give my regard to the Eskimos.

Betty Moser: Don't you like my voice?
Miss Groomes: Betty, I have played on the white keys and I have played on the black keys, but you sing in the cracks!

Faye McDade: My father is a doctor, so I can be sick for nothing.

John Truitt: My father is a preacher, so I can be good for nothing.

Dr. Johnson: What is the shape of the earth?
Roy Kelly: It's round.
Dr. Johnson: And can you prove that it's round?
Roy: All right, it's square. I don't want any argument.

Dr. Douglas (after the final exam): Well, what did you think of the course?

Bill Blackstone: I thought it was very all-inclusive. Everything that wasn't covered during the term was covered on the final exam.

Emmett Nesbit: Tell me, do you really like con-cited men as well as the other kind.

Aleane Gentry: What other kind?

Gently he pushed her quivering shoulder back against the chair. She raised her eyes in which faint hope and fear were struggling. From parted lips, her breath came in short, wrenching gasps. Reassuringly, he smiled at her. Bzzzzzz went the dentist's drill!

Patsy Milan's father's tone of voice was severe. "Harold Troxler," he said, "do you think you should be taking my daughter to night clubs all the time?"

"Indeed not!" Harold answered, then added hopefully, "let's try to reason with her."

Emma Jean Clayton: Say something soft and sweet to me.

Ned Jones: Custard pie.

"Just why did you have to cut in when I was dancing?" she asked. The freshman hung his head in humility.

"I'm sorry," he said. "I'm working my way through college and your partner was waving a five dollar bill at me."

Love is the delusion that one girl differs from another.

The cemeteries are filled with people who thought the world couldn't get along without them.

Pity the man who marries for love and then finds that his wife has no money.

What man wants—all he can get. What women want—all they can't get.

Five secrets of happiness: Money. Money. Money. Money. Money.

The girl who thinks no man is good enough for her may be right but she is more often left.

Always borrow from a pessimist—he never expects it back anyway.

Man is but a worm. He comes along, wiggles a bit, then some chicken gets him.

Then there's the playboy who kept calling his girl friend a little sugar and wound up paying her a lump sum.
